

EVVE 2026: EMC's national conference **Sponsorship Prospectus**

Fort Garry Hotel
Winnipeg, Manitoba
October 20-22, 2026

Electric Mobility Canada (EMC) is pleased to offer sponsorship opportunities for the EVVE 2026 national conference, taking place October 20-22, 2026, at the Fort Garry Hotel in Winnipeg.

EMC's national conference brings together leaders and experts to discuss successes, challenges, and trends in advancing electric mobility while showcasing innovative programs, policies, and technologies.

About EMC and EVVE 2026

Electric Mobility Canada (EMC) is the unifying and authoritative voice driving the transition to electric transportation across Canada. Founded in 2006, EMC strives to enable and accelerate the shift to sustainable electric mobility through advocacy, collaboration, education, and thought leadership. Our ultimate goal is to create a cleaner, healthier, and more prosperous future for all Canadians.

Our Strategic Focus Areas

Driving Advocacy and Policy: Advocating for policies and initiatives that support the growth of the electric mobility sector and ensuring that members' consensus positions are heard by policymakers.

Collaboration and Learning: Facilitating collaboration among industry players, policymakers, and stakeholders to promote the adoption and integration of electric mobility solutions.

Thought Leadership: Conducting research, providing education, promoting best practices, and raising public awareness about the benefits of electric mobility and the importance of sustainable transportation.

What to Expect at EVVE 2026

Engaging Content: Two and a half days of impactful programming, including keynotes, panels, and workshops.

Expert Speakers: Thought leaders representing manufacturers, utilities, academia, non-profits, and government agencies.

Facilitated Networking Opportunities: Build meaningful connections with attendees and industry experts.

Specialized Workshops: Hands-on sessions designed to tackle critical challenges and foster innovation.

Industry Discussion Tables: Dedicated spaces to explore focused topics and collaborative solutions.

Mentorship Opportunities: Pairing emerging professionals with experienced leaders in the field.

Interactive Experiences: Opportunities to engage with technologies and concepts in real-time.
